Subject: Request for Public Hearing: Lahaina Injection Well Permit

Dear Ms. Rumrill,

I write today as a resident of Maui to request EPA to hold a new public hearing on the Lahaina Wastewater Injection Well permit, and also request the opportunity to testify in that hearing.

I am the Vice President of the Kula Community Association and the Chair of the Water and Sustainability Committee. I support the request for a public hearing submitted by Hannah Bernard, Irene Bowie, and Wayne Cochran on behalf of the residents of Kula and the Upcountry Maui areas.

If given the opportunity to testify I will provide additional information pertinent to the Maui General Planning Advisory Committee (GPAC)'s recommendations related to Maui's Marine Resource Special Management Zones.

In addition to my position as the above noted Chair I also hold a B.A. degree in zoology from U.C.L.A and a Masters of Science in Forestry (wildlife management) from Stephen F. Austin State University in Nacogdoches Texas.

I appreciate your consideration regarding holding a new public hearing and for the request to testify.

Regards

Ron Montgomery
